Beauty Salon

Dear Family and Friends:

Tolstoy Foundation Rehabilitation & Nursing Center has a beauty salon which offers a variety of services at a reasonable cost to our Residents, located on the Upper Level, across from the Resident Dining Room. Residents and family members are welcome to set up appointments through the beautician, **Tanya Delloio**, or **Elisa Dixon**, manicurist, at either Nursing Station, at any time. We would like to take this opportunity to request permission from family members or power of attorney who would like their loved one/friend to visit the salon on a regularly scheduled basis. This permission slip will allow the facility to set appointments weekly, monthly or as often as you like for the services offered. Attached please find the price list for the salon.
